

# Featured Apprentice

Name: Alonzo Butler, II

Hometown: Kissimmee, Florida

Employer: UA – Pulaski Technical College (N. Little Rock, AR)

Trade: HVAC (Heating, Ventilation and Air Conditioning) Tech

Education: Plumbing Certification (Job Corps), OSHA 10

Short/Long Term Goals: “For my short term goal, I would like to obtain my certification in HVAC and EPA. For my long term goal, I would like to start my own business.”

How is your experience at ACEF? “ACEF has definitely helped me on the job by learning terminology, computerization, blueprint reading, schematics, troubleshooting, etc. The teachers are great subject matter experts and go the extra mile for their students.”

Words of Wisdom to current/future apprentices: “Always give 110%. Find out what your calling is and go for it. If you want to learn, put in the effort.”
